

**What's been happening (July –Dec 2009)?**

**Summer Program:**

A visiting team of volunteers did a wonderful program for our kids: games, music, craft...& they also raised some funds for us!

**Educational Trip to the Maulana Azad Centre for Indian Culture (left) & The Japanese Information and Cultural Centre (right):**

This was done on the same day. The trip cost 350LE (U\$60/-) (This includes transportation and photographs)

"Through the Indian films, I get to see their history and way of life, music and movies."

"I learnt about their technology and how the Japanese are helping the society. I enjoyed the craft that we did, and I learnt some new Japanese words."

"I enjoyed the time because they taught us about Japanese culture and their way of life. I am interested to go there again to know more."

### Medical Check-Up:

Our staff and students had a free medical check-up provided by a visiting team of professionals.

This was very useful as such services are not too affordable to us.

The results will also highlight any remedial measures needed as well as to advise them regarding their nutrition and lifestyles.

### Jewelry Craft Work:

The girls had an opportunity to learn how to make simple jewelry for themselves and even the school!

This was an after school activity that was organized to put their creative talents and hands to work. Many of them found this to be very fun & refreshing.

### Girls Basketball Match with Modern English School:

We had quite a game in their in-door court. Many thanks to the staff and students of MES!

Our school hopes to build bridges by having interactions between our Africans youths & the Egyptian/Expatriates.

A trip like this cost 200LE (U\$40/-) (This includes transportation and photographs)

### Christmas Celebrations:

The highlight of the ceremony was the presentation of a box of warm clothing donated by our students for the homeless local children. Christmas is a time of giving, and we are proud that our students gave out of the little they have, in order to share the warmth of this giving season.
